# NATASHA MARSH

Natasha Marsh is a highly-regarded performer: her debut album, *Amour*, topped the classical album charts in 2007. She has performed with leading orchestras in the country, sung in opera houses across Europe and toured with Il Divo, Jose Carreras and Russell Watson. Her love of football was confirmed when she sang at the 2008 League Cup Final and she has recorded Mozart's *Queen of the Night* aria for ITV's coverage of Euro 2008.
