CHAIRMAN'S MESSAGE

We have become accustomed to celebrating our Reunion at the begining of May with the same annual regularity that we celebrate the festival of Passover. Both have the same theme ie Salvation. There is however a profound difference between the two. When we celebrate the festival of Passover we are reminded of what happened to our ancestors three thousand years ago but when we celebrate our own liberation, it is we who are the redeemed and thus living witnesses to the fact of history that like the exodus from Egypt, will be remembered always.

The Links which join us are many. Most of all our common background, and our shared experiences and memories and they need no retelling at our reunions. Fortunately with the passage of time, having formed ourselves into a Society, we remember not only the past, but we are also very conscious of the present and the responsible part we have to play towards our community and people less fortunate than ourselves. Over the years we have assisted our members when in need and have contributed to many deserving causes both in England and in Israel. Thus the Reunion has assumed an additional function - that of raising money by way of donations, advertisements in this brochure and raffle tickets. In the prevailing economic climate the demands on our resources are constantly growing and in this connection I wish to express my sincere thanks to all those who contributed so generously and for their continued support.

It is most gratifying that the 2nd and 3rd generations are now an integral part of the '45 Aid Society and our celebration is greatly enhanced by their presence and their contributions.

I would like to welcome you all tonight and would like to extend a warm welcome to all our guests.

It gives me great pleasure to conclude my message by thanking our committee, many of whom are 2nd and 3rd generation, for their invaluable support.

Joe Helgert

BUCKINGHAM PALACE

16th April, 2013.

Dear Mr. Helfgott,

I have been asked to thank you and the Members of the '45 Aid Society and the Second Generation Committee for your kind letter containing loyal greetings to The Queen, sent on the occasion of the Society's fiftieth Anniversary which is being celebrated with a Reunion Dinner on 5th May.

Her Majesty was most interested to learn of this landmark in the Society's history and appreciates your thoughtfulness in writing as you did. In return, The Queen sends her best wishes to all those who will be present for a most memorable and enjoyable gathering.

Yours sincerely,

Christopher Sandamas
The Chief Clerk to The Queen

World Jewish Relief is incredibly proud of its origins in assisting refugees and survivors from Nazi occupied Europe. We are particularly proud of our continued association with The Boys through the '45 Aid Society. Their experiences, along with their generosity and spirit, are a constant reminder of the importance of our work.

כל הכבוד for your achievements. It is through the '45's that the
holocaust will NEVER be forgotten. לא תשכח !!!

The Boys are a wonderful group of survivors, although some of
them have sadly passed away like Abie ע"ה. Abie loved your
annual event, meeting his treasured friends, who were his family.
He had no one else. He lost his entire family. He was proud to be a
part of the boys!!
