SOLLY IRVING NIGEL COHEN ANGELA COHEN

CHAIRMAN'S MESSAGE

This year marks the seventieth year of our liberation in 1945 and the seventy third year of the destruction of the majority of European Jewry during the deportations in 1942.

The ovens of the extermination camps of Treblinka, Sobibor, Majdanek, Belszec, Chelmno and to some extent Auschwitz, were working to full capacity 24 hours a day. Day by day, week by week towns and villages were being emptied of Jews. During the year 1942, four million Jews were deliberately, systematically and ruthlessly murdered. Of the 4,000,000, two million were Polish Jews living within the General Government. Never in the annals of history have so many people been killed in one year.

This evening, we celebrate the 70th anniversary of our liberation and remember our own loved ones and friends as well as six million whose lives were gratuitously and wickedly destroyed. simply because they were Jews.

Holocaust denial has long been punishable in British law courts but alas we remain in the front line of the continuing onslaught of those who use anti-Semitism to attack the Jewish people and of course, to attack the State of Israel.. Our past President Sir Martin Gilbert who sadly passed away recently, reminded me that Israel is still and always will be younger than any of "The Boys". We have seen its trials and tribulations from its earlier days and we are particularly conscious of its present predicaments and will continue to be outspoken in its legitimate defence.

I wish to express my thanks to all those who have contributed so generously to the Brochure as well as to our supporters and well wishers. As always we have continued to help our members who are in need and made donations to deserving causes both in England and in Israel.

My message would be incomplete without paying tribute to the members of our committee of whom the majority are 2nd and 3rd generation members. I wish you a most enjoyable and interesting evening.
